

Art: Viking Shields!!!

Prepare for battle and arm yourself with your very own Viking shield! You could try:

- Paper plates work great for this!
- Card (use a plate to draw round for the template)
- Cardboard boxes (why not try an empty cereal box?!)

Choose a design from here or...even better...combine a few, and shade in using:

- Paint
- Felt tips
- Colouring pencils
 - Chalk
- Colouring pastels
