British Values

As part of PSHE, I would like to create a book about British influential people. If children would like to research a British person who they find interesting, this can be a historical figure, actor, sports person, national treasure, musician or any other famous or influential person. We would like to set the children a challenge to create a one page profile about their chosen person, explaining why they are of significance and what their contribution to Britain has been. We ask these are submitted to school no later than Monday 19th February. I look forward to seeing the children's wonderful creations and I am sure I will learn lots by reading these.

Sport

Well done to our athletic team who won our cluster competition on Thursday. The adults at the event were so impressed with their behaviour, attitude, and sportsmanship. They competed in four different running races as well as several field events.

Please can I remind parents that school is not able to authorise any holidays during term time. Therefore, it is important to consult these dates before making any booking.

We are committed to improving achievement through attendance, and any pupil whose attendance falls below 96% becomes a cause for concern. Attendance below 90% is classed by the Government as persistent absence.

If a child's attendance falls below 90% we refer all cases to the Education Welfare Office at East Riding, who is likely to contact parents directly to discuss the matter.
