

It's Your Time to Shine!

Here is a selection of **time themed activities** for you to try this week – we hope that you enjoy them! We have tried to give you a variety of activities to choose between but please do not feel overwhelmed! It would be great if you could try **one bullet pointed activity per day**, perhaps with one from each box over the course of the week. Of course, if you are able to do more, you are very welcome to do as many as you would like to!

Reading and Writing	Mathematical Thinking
<ul style="list-style-type: none"> ❖ Read the extract from Harry Potter called 'Hermione's Secret'. Use this story to inspire you to create your own time themed story! You could either: <ul style="list-style-type: none"> ○ Continue the story in your own words ○ Write your own story about using a time turner ○ Write your own story about travelling back in time – where would you choose to travel to? Why? ❖ Read the poem: Take Time For 12 Things. Be inspired and complete the poem - make it fun! Read your completed poem to your family. 	<ul style="list-style-type: none"> ❖ Learn and perform a song/rhyme to help you remember how many days are in each month of the year. Try one of these links to inspire you: https://www.youtube.com/watch?v=bRU03b5Rt3s https://www.youtube.com/watch?v=BYshA2ybFdY <ul style="list-style-type: none"> ○ In the rap (first link above) one fact is missing. Can you find out which one it is and can you create your own part of the rap to add it in? ○ Perform your finished rap to someone at home. ❖ Revise how to tell the time by watching this clip: https://www.youtube.com/watch?v=HrxZWNu72WI <ul style="list-style-type: none"> ○ If you have an analogue watch at home, try wearing it and asking your parents or older brothers and sisters to quiz you on what time it is at regular times of the day. ❖ Test your ability to tell the time by using the link below: https://www.topmarks.co.uk/Search.aspx?q=telling+time
Creative Thinking	Investigative Thinking
<ul style="list-style-type: none"> ❖ Make your own sundial from bits and bobs. Watch the links – how to make a simple DIY sundial: https://www.youtube.com/watch?v=Gxo8orZ1X7g Be creative and use your imagination to make your own sundial. Have you placed your numbers at regular intervals? Make sure you place your sundial in the right spot! Take a photo of your sundial in situ. https://www.youtube.com/watch?v=SeSexM-wVzA This one uses a different method to make a sundial. Why not give it a try? Which method do you prefer? Why? ❖ Design your own time travelling machine! Look at the time travel picture page for inspiration! Think about: <ul style="list-style-type: none"> ○ What shape it will be ○ How many people it will carry ○ How it will travel through time 	<ul style="list-style-type: none"> ❖ Research about different time zones around the world. Use this clip to help and write a short explanation in your book: https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/zjk46v4 Find the Time Around the World Poster and Time Zone Activity Sheet and choose one level of challenge to complete (one, two or three stars at the bottom of the pages). ❖ Create a time capsule about you, your family and the historic times that we're living in! Take a look at this page for inspiration about the Blue Peter time capsule and the items that children voted to include in it: https://www.bbc.co.uk/cbbc/findoutmore/bp-what-is-in-the-diamond-time-capsule <ul style="list-style-type: none"> ○ Blue Peter have buried several time capsules over

<ul style="list-style-type: none">○ How it is powered○ How it can be controlled <p>Neatly label the key features of your design. Where would you travel in your time machine?</p>	<p>the years – you might like to research a bit more about them!</p> <ul style="list-style-type: none">○ Use the Home Learning 2020 Time Capsule booklet for inspiration – you don't need to print this off and complete it but it might give you some inspiration for the kids of things to draw and write to go inside. Parents, you could use the Resource Pack Guide to help too.○ Write a letter to your future self! You can open it in the future and see what has changed.○ If you want to go the extra mile, you could add objects to your time capsule and maybe even bury it to dig up in the future! See the uploaded Choose Objects to Put in a Time Capsule Activity Sheet for instructions.
