

## This week's Theme is Roald Dahl's Sweet Shop!

### A special message from my teacher:

Hello! We hope that you have been enjoying the lovely warm weather over the last few days and that you are still staying happy and safe! Did you do anything special to celebrate VE Day on Friday last week? We hope that your work last week helped you to prepare for this very special day!

This week's activities and challenges are all linked to a section of '*Boy*' by Roald Dahl where he remembers his favourite sweet shop as a child - but it was not quite as you might imagine! We hope that you enjoy reading the sections of the book and having a go at the 'sweet' challenges that follow!

We would love you to keep in touch so please do keep sending your photos and emails in to [snaith.primary2020@gmail.com](mailto:snaith.primary2020@gmail.com)

Keep shining!

The Year 3 and 4 team : - )

Dear parents and children,

Please see below the exciting tasks set for this week.

While we have posted a suggested order (we know some people find this helpful) please feel free to pick and choose.

Please remember: your child's well-being is the most important thing to us. You may find that they are more inspired some days than other. Some days they might do no tasks. Other days they may wish to do more than one.

We also appreciate that many of you are likely to be working and juggling child care. So our message is simple, **do what you can and be kind to yourselves too!**

We also value cooking, gardening, cleaning and a wealth of other things you will be doing as families.

If your child would like to share what they have been doing with us please email your photos etc to [Snaith.primary2020@gmail.com](mailto:Snaith.primary2020@gmail.com) (you can also email any questions or concerns to the teachers on this)

If you have any other concerns please do contact school on 01405 860452 or on [Snaith.primary@eastriding.gov.uk](mailto:Snaith.primary@eastriding.gov.uk)

observations and suggest what the next experiment could be. Could you change the temperature of the water? Or could you try a different kind of liquid? Let us know what you discover!

- If you have any of these ingredients in the cupboard, AND an adult can help you, you could **cook** some Welsh Cakes (a traditional teatime treat from Wales, where Roald Dahl grew up):  
<https://www.bbcgoodfood.com/recipes/welsh-cakes>  
or some rocky road (inspired by our favourite sweets!!)

- After all of these sweet treats, we couldn't ignore your teeth! Watch this clip to remind yourself of how to **look after your teeth**:  
<https://www.bbc.co.uk/programmes/p03cnjj3>  
Can you time yourself to make sure that you brush your teeth for two minutes twice a day? How do you make sure that you have brushed for two minutes? There are lots of tooth-brushing songs (on You Tube, the Hey Duggee one is a favourite in my house!) and apps that can help.
