

This week's Theme is:

The Bad-Tempered Ladybird

Watch Mr Clarkson read 'The Bad-tempered Ladybird' by Eric Carle

A special message from my teacher:

Hello everyone

We hope you all had a lovely weekend and had a great time celebrating V.E day on Friday. Wasn't the weather lovely? We were thinking about you all. Did you get your paddling pool out? We hope you remembered your suntan lotion!

It is great to see the photos of your work that you are sending in.
Please keep emailing them in.

Stay safe

Dear parents and children,

Please see below the exciting tasks set for this week.

While we have posted a suggested order

(we know some people find this helpful)

But please feel free to pick and choose what you want to do and when you want to do it.

Please remember: your child's well-being is the most important thing to us. You may find that they are more inspired some days than other. Some days they might do no tasks. Other days they may wish to do more than one.

We also appreciate that many of you are likely to be working and juggling child care.

So our message is simple, **do what you can and be kind to yourselves too!**

We also value cooking, gardening, cleaning and a wealth of other things you will be doing as families.

If your child would like to share what they have been doing with us please email your photos etc to Snaith.primary2020@gmail.com (you can also email any questions or concerns to the teachers on this)

If you have any other concerns please do contact school on 01405 860452 or on Snaith.primary.eastriding.gov.uk

This week's Theme is: The Bad-tempered Ladybird

	Focus	Activity
Monday	Science	Find out about the life-cycle of a ladybird (Take a look at the PDF below to help you). You can record the different stages of the life-cycle in your own words in your school work book (don't forget to illustrate each stage) or if you have your own idea on how you would like to record the information, go for it!
Tuesday	Maths	Can you tell the time? * Year 1s: O'clock and half past the hour * Year 2s: O'clock, half past, quarter past and quarter to You can get your grown up to grab your wall clock and move the hands round for you or if you have a printer you could use the sheets below.
Wednesday	English	Can you retell the story of the Bad-tempered Ladybird? Don't worry about having to write about every animal that the ladybird visits. Instead write a beginning, a middle and an end. Take a look at the template below for ideas on what to include in each section. You can record it in your school work book.
Thursday	Maths	Who does the ladybird meet at each hour? Can you draw the animals in order and label each one with the time that they met? You can record your work in your school work book or you can use the page borders below if you have a printer.
Friday	English	Can you write a book review about 'The Bad-tempered Ladybird'? Take a look at the template below for ideas on

		what to include in our own review. You can record it in your school book but don't forget to add an illustration of the book cover or the ladybird.
<p><u>Extra Challenges if desired:</u></p> <ul style="list-style-type: none"> * Could you perform the story for your family? (maybe video call a relative and perform it for them) * Describe the bad-tempered ladybird. What does he look like? How does he act? * Why do you think the ladybird was in a bad mood? * What do ladybirds eat? Can you find out what they like to eat? Draw and label what they eat? * Play ladybird drive (see resource below) * Ladybird craft ideas (see idea below) * Make salt dough ladybirds (see recipe below) * Challenge: Can you find out how many different types of ladybird there are?
